

Past Performance

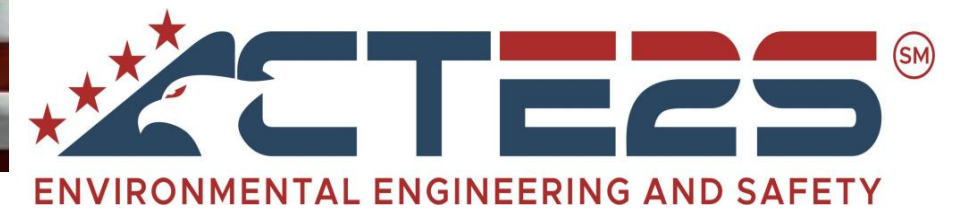

FEDERAL

Bureau of Reclamation
Veteran Administration
VISN 6, 7, 8, 9, 12, 13, 15 & 23
USAF
USACE
USDA
USCG
USN

PRIVATE

Food: Anheuser-Busch, ConAgra, Interbake Foods (Girl Scout Cookies), Nestle Purina, Pepsi & Smithfield
Manufacturing: Coleman Company, Lennox Mfg.
Oil & Gas: Plains Marketing L.P. & Sunoco
Pharma: Aspen API, Bioiberica, Merck & Pfizer

COMPANY PROFILE

Established: 2013
State of Incorporation: Iowa
Socioeconomic: Small Business
SDVOSB (CVE Cert) / VOSB / WVOSB
SBA Certified 8(a) Firm (Exp. 12-2029)
SBA Certified SDB / WOSB
CO Certified MBE / MWBE
CDOT Certified DBE / EBE
DUNS: 07-968-9293
NAICS: 541310, 541330, 541620, 541690, 541990 & 562910
CAGE: 7CVG3
GSA: 47QRAA22D000Y
Exp. 18 Oct. 2026 (+16 yrs.)

OUR SERVICES

- Environmental Services & Environmental Remediation
- Engineering General, Engineering Construction & Engineering Waterfront
- Occupational Safety & Health

Website www.ACTE2S.com

ACTE2S ⇌ ACT Safe

OUR Commitment To You: "We will serve you with the same Loyalty, Honor, Integrity, Respect, and Selflessness as we served our country."

Environmental Services

- Air Permitting
- Chemical Inventory
- Contaminant Delineation / Remediation
- Environmental Screens – Lead Based Paint (XRF), Asbestos and Hazardous Material
- Environmental Site Assessments
Phase I / Phase II / Phase III
- Hazardous Materials Management
- Minor Source Emission Inventories (MSEI)
- Multi-Media Compliance Audits
- National Pollution Discharge Elimination System (NPDES) Permits
- NEPA / SEPA
- Personnel Health & Safety Monitoring (Noise, Dust, Chemical) State and Federal Compliance (EPCRA, Tier II, TRI)
- Records Search with Risk Assessment
- Resource Conservation and Recovery Act (RCRA) Management
- Spill Prevention, Control and Countermeasure (SPCC) Plans
- Stormwater Pollution Prevention Plan (SWPPP)
- Stormwater Sampling and Analyses
- Waste Minimization Plans

Environmental Remediation

- Emergency spill cleanup response and services, emergency relief services for disasters
- Environmental remediation services of non-hazardous and hazardous waste
- Groundwater recovery systems (GWR)
- In-situ mixing of hazardous waste, transportation, and disposal
- Mine reclamation services
- Soil vapor extraction and air sparging systems
- Underground and Aboveground storage tank, inspection, repair, removal and abandon-in-place.

Engineering

- Construction Drawings and Specifications
- Construction Inspections
- Construction Management
- Construction Program Management
- Energy and Water Management
- Facility Condition Assessment
- Ground Water Assessment and Modeling
- Independent Design Reviews
- Operations and Maintenance Management
- Quality Assurance/Quality Control (QA/QC) Planning/Estimating/Engineering Technician Support
- Storage Tank Engineering and Modeling
- Survey and Mapping

Waterfront Engineering

- Conceptual Planning
- Construction Administration & Inspection Structural Evaluation, Analysis & Design
- Marine Engineering
- Shoreline Stabilization & Beach Development
- Storm Damage Assessment & Repair Design
- Structural Rehabilitation Design
- Structural Inspections & Condition Damage Assessment
- Waterfront Infrastructure Design
- Waterfront Permitting
- Wave Analysis
- Wetlands Delineation, Mapping & Mitigation

Occupational Safety & Health

- ARC FLASH
- Confined Space
- Electric Safety
- Expert Representative / Negotiator / Witness
- File Plan Development
- Full / Part Time Staffing
- General / Construction Industries / Maritime
- HazMat (OSHA & DOT)
- HazWOPER
- Job Hazard Analysis / Job Safety Analysis
- Hazard Assessments
- Industrial Hygiene
 - Air Monitoring
 - Noise Dosimetry
 - Control / Ventilation Survey
 - Chemical Speciation
 - Health Risk Analysis
- Indoor Air Quality
- Laboratory Safety
- Life Safety
- Lockout / Tagout
- Mock OSHA Inspection
- Policy / Procedure / Program Management
- Process Safety Management
- Training – OSHA Outreach Instructors (10 & 30-hour)
- Workplace Exposure Assessment
